- **When activated by your dealer**, the Basic Remote Start feature uses factory key fobs for up to 300' of range
- Optional LED Kit lights up when Security System is armed
- Easy to Stock – One base module fits all 2020 Ford and Lincoln vehicles
- Fast, easy plug-and-play installation

Long-Range Remote Start Convenience

- Pre-heat or pre-cool your vehicle
- Long-Range Remote Start and Long-Range with Confirmation Systems provide up to 1000' of range
- Available Remote Start Ultra-Long-Range Extender provides up to 2500' of range
- Our systems are designed to work with all factory features including FordPass™ and LincolnWay™ Apps (when equipped with available modem)

NOTE: Range may vary depending on vehicle location and environment.

Ford Perimeter Plus Vehicle Security

- Use your factory key fobs to arm and disarm, helps provide contents protection too
- When there's sufficient impact to the glass or a body panel, the 2-stage shock sensor determines whether to issue a warning chirp or full alarm
- When activated by your Ford Dealer, the Basic Remote Start System is also included
- Run time and other features are easily programmed through the vehicle's driver information center²

Long-Range Remote Start System

- 1-button remote allows you to start your vehicle remotely
- Simply press the button with the Circular Arrow symbol twice, has a range of up to 1000 feet¹
- All Perimeter Plus Vehicle Security and Basic Remote Start System features are also incorporated
- Includes two remotes
- Parking lights remain on during remote start so you know the engine is idling

Long-Range Remote Start System With Confirmation

- The 2-button remote provides a flash/beep to indicate engine idling
- Up to 1000 foot¹ range
- Includes long-range car find feature
- All Perimeter Plus Vehicle Security and Basic Remote Start System features are also incorporated

Remote Start Ultra-Long-Range Extender (Optional)

- More than double your remote-start reach – up to 2500 feet¹
- Retains all Long-Range Remote Start System and Long-Range Remote Start System With Confirmation features, the antenna simply extends the range

LED Kit (Optional)

- LED Kit provides a visual alert that the vehicle's Perimeter Plus Vehicle Security System is activated
- Conspicuously mounted on the dash – can help steer thieves to look for an easier target
- Plug-n-Play, no wire splicing required for install, works with all of the above systems
