

Soft Roll-up Cover by TruXedo®

This high-quality bed cover mounts over the bed side rails providing excellent weather resistance at an affordable price. Constructed of an attractive heavy-duty vinyl over an aluminum frame.

- Rolls up to allow complete access to the truck bed
- Straight bows that roll up with the cover...no loose parts to lose
- The preset tension control helps keep the cover tight
- Easy, no-drill clamps allow for a quick, simple installation

PROTECTION

Platinum Soft Roll-up Cover by TruXedo®

This premium roll-up cover mounts between the rails to provide access to stake pockets for compatibility with other accessories. This cover features automatic tension control and single trigger release.

- Sleek low profile appearance
- Tension control helps keep the cover taut in hot or cold weather
- Easy one-finger release latch
- Easy, no-drill clamps allow for a quick, simple installation

PROTECTION

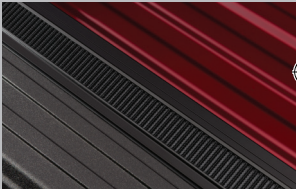

XLP Soft Roll-up Cover by Advantage

This cover features an extra low profile appearance. Provides access to stake pockets for compatibility with other accessories. Single trigger release allows operation from one side.

- Rolls up to allow complete access to the truck bed
- Premium vinyl cover features straight bows that roll up with cover
- The preset tension control is conveniently integrated
- Easy, no-drill clamps allow for a quick, simple installation

PROTECTION

Truck Bed Covers

Hard Folding Cover by REV®

The sleek, “no profile” design makes this a favorite. This folding bed cover mounts flush with the side of the truck bed. This hard fold provides 100% access to stake pockets and works with tie-downs, bed rails, bed extenders and bedliners.

- Lock the cover in full open position with the included prop rods
- Made from strong & rigid, heavy-duty ¾” thick panels
- Quick-release latch system automatically locks panels when shut

PROTECTION
SECURITY

Hard Rolling Cover by REV®

Offering the security of a hard folding cover with the convenience of a roll-up. There’s no heavy lifting required; and with the easy one-handed rolling design, opening and closing is a snap. Between the rails design provides full access to the stake pockets for other accessories.

- Provides 100% access to the bed when rolled up
- Compact design maximizes visibility through the rear window
- Locking rail design secures the cover the full length of the bed

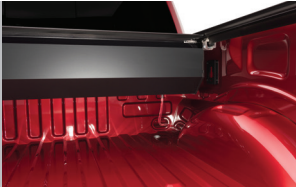

PROTECTION
SECURITY

Embark Retractable by Advantage

The matte finish all-aluminum retractable bed cover is powder coated and rolls into a compact canister at the front of the truck bed. Sealed ball bearings make the cover slide so easily and allows for the one hand open and close

- Spiral track system keeps it functioning smoothly (keeps it from coming to contact with itself)
- Lockable in any position, great for 5th wheel towing
- Easy installation, clamp on design (no drilling)

PROTECTION
SECURITY

Embark LS Retractable by Advantage

All the great features of the Embark Retractable with the addition of the T-slotted side rails to attach cross bars, bike racks, kayaks, etc...

- Complete bed access even with gear and other fun stuff on top
- Lockable in any position
- Doubles your cargo capacity with optional accessories
- Crossbars and accessories sold separately
