

DELUXE RAISED-LID CARGO AREA ENCLOSURE

MSRP: \$639.00¹

P/N: VM2DZ-78115A00-D

Organize and secure the gear in the back of your 4-door Bronco. Sensitive items remain securely hidden from view with the top on or off.

- MOLLE grid design allows use of MOLLE storage bags for organization
- Creates a secure area when the rear vehicle door is closed and locked
- Rubber perimeter seals for a rattle free drive
- No drill installation using existing mounting points; <45 min install time
- For 4-door Bronco only

FIXED-LID CARGO AREA ENCLOSURE (4DR)

MSRP: \$569.00¹

P/N: VM2DZ-78115A00-C

Organize and secure the gear in the back of your 4-door Bronco. Sensitive items remain securely hidden from view with the top on or off.

- Creates a secure area when the rear vehicle door is closed and locked
- Rubber perimeter seals for a rattle free drive
- No drill installation using existing mounting points
- For 4-door Bronco only

CARGO AREA SECURITY DRAWER

MSRP: \$670.43¹

P/N: VM2DZ-78115A00-E

No more leaning into the rear cargo area – let your gear slide out to you with a smooth sliding drawer.

- Carpeted floor and adjustable dividers help protect gear and create custom compartments
- Bold Bronco logo provides unique styling
- Heavy duty lock system gives peace of mind when unattended
- Allows access to the spare tire tools located under the cargo area floor
- Installs using the vehicle's existing tie-down rings, no drilling required
- For 4-door Bronco only

SWING GATE TAILGATE FOLDING TABLE

MSRP: \$209.00¹

P/N: VM2DZ-78407A99-A

Turn the rear swing gate into additional space for work or play. This fold out table works seamlessly in conjunction with any of Tuffy's Bronco cargo enclosures.

- Weight bearing table is perfect for extending your outdoor adventures
- Slim design won't interfere with cargo
- Bold Bronco logo provides unique styling
- MOLLE grid design accepts MOLLE pouches
- Installs on 2-door and 4-door model

CARGO AREA ENCLOSURE TRUNK

MSRP: \$459.00¹

P/N: VM2DZ-78115A00-B

Lock away your emergency gear and more in this steel trunk featuring the Bronco Logo. Fits perfectly behind the back seat in a 2-door Bronco.

- Carpeted floor cushions and protects sensitive gear
- Two gas charged struts assist opening and holds lid for ease of access
- Bold Bronco logo provides unique styling
- All steel construction offers maximum security
- For 2-door Bronco only

FIXED-LID CARGO AREA ENCLOSURE (2DR)

MSRP: \$449.00¹

P/N: VM2DZ-78115A00-A

Organize and secure the gear in the back of your 2-door Bronco. Sensitive items remain securely hidden from view with the top on or off.

- MOLLE grid design allows use of MOLLE storage bags for organization
- Creates a secure area when the rear vehicle door is closed and locked
- Rubber perimeter seals for a rattle free drive
- No drill installation using existing mounting points; <45 min install time
- Installs using the vehicle's existing tie-down rings, no drilling required
- For 2-door Bronco only
